### English Language Level Requirements

Our MA programme requires a level of written and spoken English approximately equivalent to C1 in CEFR (Common European Framework of Reference for Languages). For more information about the CEFR see their website at [http://www.coe.int/t/dg4/linguistic/cadre\\_en.asp](http://www.coe.int/t/dg4/linguistic/cadre_en.asp)

Those students who wish to enter our programme and whose cv does not sufficiently document this level of English will have to provide one of the following certificates. The figures at the end of each certificate indicate the minimum grade, or the level, that students need to certify. Please note that our MA programme is not responsible for the organization of any of these exams. It is the student's responsibility to take the exams and then send us the certificate:
